

LNG Canada Business Strengthening Rebate Program Guide

The LNG Canada Business Strengthening Rebate Program will provide small and medium-sized local and Indigenous businesses engaged in the provision of goods and services with a rebate of up to 50% of eligible expenses to a maximum of \$25,000 CAD towards business improvement projects including consulting services, software/system upgrades and employee training.

Businesses that are eligible to participate:

- Local and Indigenous business defined by the LNG Canada operating footprint, entailing registered businesses with an established presence (office, workshop, employees) within the Regional District of Kitimat Stikine, primarily Kitimat and Terrace, as well as in the traditional territories of the Haisla Nation, Kitselas First Nation, Kitsumkalum First Nation, Gitxaala Nation, Gitga'at First Nation, Lax K'walaams Band and Metlakatla First Nation. Businesses must have >50.1% ownership by residents or by an Indigenous Band from the above-defined geography.
- Small and medium business with less than 500 employees and revenues less than CAD100 million
- Other business eligibility criteria privately owned and/or sole proprietorship – must have been in business for a minimum of 2 years with revenues of 30K + to qualify, First Nations businesses, First Nations development corporations.

Funding Terms

The LNG Canada Business Rebate Program fund provides a rebate under this program to eligible businesses to a maximum of 50% of eligible costs to a maximum of up to \$25,000 CAD annually toward eligible costs.

- Projects must have a minimum budget of \$2,500.
- If an applicant is approved for a project which is less than the maximum of \$25,000 and a second project is being proposed, the first project must be completed, and reporting submitted prior to any subsequent project being approved.
- Prior to beginning any project, applicants must do the following:
 - Apply to the program.
 - Receive a funding approval notification letter and contract from the LNG Canada Business Rebate Program.
 - Sign and return the LNG Canada Business Rebate Program funding contract to lngcanadarebate@gmail.com
- Projects must be completed as approved to receive funding. Any change in the project scope must be immediately communicated to the LNG Canada Business Rebate Program. Incomplete or partially completed projects may not be eligible for funding.
- Project must be completed within 1 year of funding approval contract date.

- Projects that fail to meet the above criteria will not be eligible for funding.

Project Eligibility

Businesses may use a preferred consultant or obtain assistance to identify and select a qualified consultant(s). The recipient's due diligence should include the determination of consultant eligibility. Possible projects that may be funded include the following:

- Business planning, strategic planning, and management
- Business development feasibility studies
- Development of a marketing strategy and/or communications plan
- Export development, e-commerce platforms, and inventory processes
- Human resource management
- Operations/operational efficiency
- Quality and safety management including relevant accreditations
- Innovation
- Financial system improvements
- Consulting fees (*note these cannot include accounting, legal or engineering consulting):
 - Consultant(s) must be in Canada.
 - Consultant contract fee must be fixed (i.e., not on time and material, hourly or contingency).
 - Consultant travel costs must be directly associated with the project. Only travel costs within Canada are eligible.
 - Other costs directly associated with the project e.g., software or training costs (to be approved on an individual project basis).
 - Consulting contracts cannot exceed 12 months duration.

Ineligible Costs

- Operational costs and staff wages
- Management or staff travel costs
- Legal, accounting or engineering services
- Meeting costs (equipment rental, refreshments, etc.)
- Purchases of equipment or tools
- Project cost over-runs
- In-kind volunteer labour or donated services/materials

- GST
- Costs incurred prior to formal notification of funding approval from the LNGC Business Rebate Program
