

# Kitimat Guns & Hoses Annual Charity Hockey Game 2026

To Whom it May Concern,

The Kitimat RCMP Detachment and Kitimat Firefighters Association will be hosting the Annual Kitimat Guns & Hoses Charity Hockey Game. The two teams will meet at center ice at the Tamitik Arena on Saturday February 21, 2026, with the puck dropping at 7pm.

All proceeds from this year's charity hockey game will go to the Kitimat Firefighters Ladder of Hope Charitable Fund. This community-based fund provides financial assistance to local charitable and youth activity organizations within Kitimat and Kitamaat Village.

This event relies on community volunteers and sponsorships and donations from our local industries and businesses. This support allows the event to host a silent auction and puck toss which will help raise funds that will be utilized by local clubs and teams in Kitimat.

We are kindly asking for you to become part of the Guns and Hoses family and support the event by way of monetary donation or item donation from your business. Any donations provided will directly benefit the children within our community and will be greatly appreciated.

Business who donates will receive a shout out during the game over intercom, logo on the sponsorship spotlight banner and event program. Businesses who donate \$1000 or more are also welcome to submit a 15second or less video chatting up the event and the support of the business for the event. This video then will be uploaded to the social media promotions for the game.
